## AMENITIES

- Amazing location with expansive skiing, hiking and biking trails and the new Base Village right out your door
- Enjoy the fire pits and infinity-edge spa pool located on the rooftop Sky Terrace, perfect for relaxing while enjoying sweeping mountain views
- King Yoga offers classes combining healing practices with music to help you achieve greater balance in body and mind
- A spacious 2,500-square-foot fitness center with Peloton bikes, Woodway treadmills, strength training machines and more
- Private ski locker room, located right on the ski trail, with dedicated ski lockers and long-term ski storage, making schlepping gear a thing of the past
- Inspirato Lounge located right in One Snowmass offers owners a private enclave for relaxing and socializing after a day on the slopes
- New retail and dining located in One Snowmass including JÜS Snowmass, Eye Pieces of Snowmass, an optical boutique, Straight Line Studio, a community-based art studio and gallery, and Alux Spalon, a full-service salon and spa
- Snowmass Medical Clinic, offering year-round, 7-days-a-week medical services. Operated by Aspen Valley Hospital
- Plaza activities just outside your front door including winter ice rink, summer events lawn with splash pools, five-story climbing wall and new dining and shopping establishments
